

# Dear Fellow Animal Lover,

Two seasonal track closings in the Florida Panhandle - at Ebro and Pensacola - in the next 2 months means that at least 300 retiring racers need to move to safety as soon as possible. This is an unprecedented number of pets from these two tracks, and a very real crisis in greyhound rescue and adoption: every dog needs a place to go!

**GREYHOUNDS ONLY** urgently needs your help to make sure that every dog finds a loving home. The group is looking for volunteers, foster families, and potential adopters. If you or someone you know has ever considered bringing home a retired racing greyhound, now is the time to take that step. Financial donations are also greatly appreciated to help cover the cost of transporting the dogs north, food, shelter, and veterinary expenses to save these retired racers.

**In addition to your monetary donations, we could use any of the following:**

- ★ matching gifts\*
- ★ boarding assistance
- ★ Frontline, Heartguard and Drontal
- ★ vet assistance with neuter spay and dentals
- ★ media coverage
- ★ dog food
- ★ dog crates
- ★ dog transport
- ★ people to spread the word that we have greyhounds needing homes
- ★ **Foster homes and loving forever homes to adopt dogs**

All of us at Greyhounds Only thank you for any and all help you can offer.

\*If someone in your household works for a company that provides matching gifts, your contribution can be doubled or tripled. Please ask your company's Human Resources Office to give you a form to return with your gift.
